This book isn't
about winning
pretty. Rather,
it will show
you how to
punch through
your pain,
deliver a fatal
blow to the
enemy,

possess all God has for you, and experience ferocious victory. The devil is striking from every side and it's not because he wants to distract you or ruin your day-- he wants to take you out! He'll do anything to break you down. But you can flip the script and dismantle him instead! When the enemy attacks, the fight gets ugly. Your prayers and your faith have to get intense. You

have to remove the makeup, take off the tie, and get down in the dirt of life to destroy the work of the devil. In Ferocious Warrior, Cora Jakes Coleman shows you how to win. Sharing keys that helped her through personal battles with depression, insecurity, infertility, and loss, Cora offers strategies to help identify the tactics and agenda of the enemy, and the obstacles to your

breakthrough. Ferocious warriors don't shrink back from the enemy--they go into his camp and take back everything he stole from them. The book also reveals: How to use the weapons of warfare that are already at your disposal How to implement the five principles of prayer How to let your pain push you to your next level How to think like a warrior and win even the toughest fights

Slavery still exists--here. Tens of millions of humans live in bondage worldwide, tens of thousands in the US. As seen recently on Fox News, Dillon

Burroughs and Charles Powell bring awareness about what's happening in our nation and world. The book and DVD teach about: - Human trafficking - Sexual exploitation - Forced labor - Agricultural slavery Not in My Town answers questions and promotes discussion about the slavery system that crisscrosses Atlanta, Orlando, Las Vegas, New York, California, Texas, North

Carolina, Haiti, Amsterdam, India, Cambodia, and beyond. The authors' gripping journey shocks but also motivates and provides resources to equip new generations of abolitionists from all corners of society and diverse worldviews who share the common call to stop injustice.

In Sun Stand Still, Pastor Steven Furtick challenged us

to ask God for the impossible—to live, every day, with the same faith in the miraculous that we see in the Bible. In this daily, personal guide Steven leads you deeper into Scripture as you begin to live the life God created and saved us for. Over the next forty days, you'll have the opportunity to see what audacious faith can look like in your own life. Through daily scripture readings and

teachings, this book will give you the chance to change your perspective on prayer. If you have the ability to ask, God has the ability to act - and transform the ordinary into the extraordinary. In this devotional, you will learn daily how to develop your faith, walk in the confidence of Christ, and dare to believe God for the impossible. *Miss Brenda and the Loveladies* Zondervan Whether we

realize it or not, shame affects every aspect of our lives. But God is telling a different story. Curt Thompson unpacks the soul of shame, revealing its ubiquitous nature and neurobiological roots while providing the theological and practical tools necessary to dismantle shame. Compared favorably to the works of Faulkner and Dickens, Arundhati Roy's modern classic is equal parts powerful family saga, forbidden love story, and piercing political drama. The seven-year-old twins Estha and Rahel see their world shaken irrevocably by the arrival of their beautiful young cousin, Sophie. It is an event that will lead to an illicit liaison and tragedies accidental and

intentional, exposing "big things [that] lurk unsaid" in a country drifting dangerously toward unrest. Lush, lyrical, and unnerving, *The God of Small Things* is an award-winning landmark that started for its author an esteemed career of fiction and political commentary that continues unabated.

"Perhaps God isn't giving me the plan because He wants to be the plan." This was the aha moment for Mike Donehey after years of wrestling with his obsession to know God's specific plans for his life. He

came to the realization that waiting for absolute certainty from God before making decisions may seem uberspiritual, but it can lead to a life of intense stress, paralyzing fear, and crushing regret--just the opposite of the freedom granted to those living a Christ-filled life. "This is my story...how I gave up begging to know God's will and began to ask His life to come and change my

will." With his signature humor and relentless hunger for God, Mike will show you that discovering the Father's purpose and plan for our lives is not the shell game that we all too often make it out to be. If you're unsure what to do next, take heart and accept the ultimate invitation: learn to see God as the plan, not simply the formula to the plan.

Lucy Maud Montgomery was born on 30th November 1874, New London, in the Canadian province of Prince Edward Island. Her mother, Clara Woolner (Macneil), died before Lucy reached the age of two and so she was raised by her maternal grandparents in a family of wealthy Scottish immigrants. In 1908 Montgomery produced her first full-length novel, titled 'Anne of Green Gables'. Multnomah The New York Times- bestselling author returns to his mythical prairie town, where a mysterious

outbreak has the locals losing all their inhibitions . . . A troublesome virus has infiltrated the good people of Lake Wobegon, transmitted via unpasteurized cheese made by a Norwegian bachelor farmer. The most alarming symptom is episodic loss of social inhibition. Mayor Alice, Father Wilmer, Pastor Liz, the Bunsens and Krebsbachs, formerly taciturn elders, burst into political

rants, inappropriate confessions, and rhapsodic proclamations, while their teenagers watch in amazement. Meanwhile, a wealthy outsider is buying up farmland for a Keep America Truckin' motorway and amusement park, estimated to draw 2.2 million visitors a year. Clint Bunsen and Elena the hometown epidemiologist must come to the rescue, with help from a Fourth of July Living

Flag and sweet corn feast. In his newest Lake Wobegon novel, Garrison Keillor takes us back to the small town his longtime fans love to visit—for the wry wit and the entertaining insight into our foibles, desires, and fears. Praise for the Lake Wobegon books: “Like Mark Twain, Keillor takes time to spell out details and, in so doing, convert the base metal of small-town

tedium to the gold of comedy.” —The New York Times

Has there been some unidentified hindrance in your Christian life? Do you often ask the question `Why

Me?’ when things go wrong on a personal level, or `Why not me?’ when you feel God’s blessings are eluding you? If we are honest, we often feel let down, or even omewhat of a fraud, because of the absence of blessing and victory in our lives. There appear to be some barriers to blessing, obstacles in the way which prevent us maturing as Christians. Christian conversion is not the end of our spiritual search and

transformation , but rather the beginning; following which, Jesus Christ begins the process of changing us. We embark on a journey, one which will never end until we are like Him. For our transformation to begin, we need to diagnose the obstacles to blessing in our lives, so that we may receive the appropriate remedy.;Sins, wounds, and demons are the three general areas where most, if not all,

problems occur. Obviously, the solutions to each of these problems are different. Sins should be repented of, wounds need to be healed, and demons must be expelled. In 'Breaking Through Barriers to Blessing', David Legge seeks to help you identify and overcome the hindrances to your progress as a Christian, releasing you to a life of blessing and fulfilment. *Born a Crime* Multnomah

This engaging and inspirational book by Carl Lentz, the rock star pastor of Hillsong NYC, shows us the way toward a more connected, spiritually-grounded, and fulfilled life. When you think of a Christian pastor, you probably don't envision a tattooed thirty-something who wears a motorcycle jacket, listens to hip-hop music, references

The Walking Dead and Black Lives Matter in his sermons, and every Sunday draws a standing-room only crowd to a venue normally used for rock concerts—in godless New York City, no less. But then you clearly have never met Carl Lentz. As lead pastor of the first United States branch of global megachurch Hillsong, the former college basketball player is on a mission to make Christianity

accessible in the 21st century. In *Own The Moment*, he shares the unlikely and inspiring story of how he went from being an average teenager who couldn't care less about church to leading one of the country's fastest-growing congregations—how one day he is trying to convince a Virginia Beach 7-Eleven clerk to attend his service, and just a few years later he is baptizing a global music

icon in an NBA player's Manhattan bathtub. Amid such candid personal tales, Lentz also offers illuminating readings of Bible passages and practical tips on how to live as a person of faith in an increasingly materialistic world. How do you maintain your values—and pass them onto your children—in a society that worships money and sex and fame? How do you embrace your flaws in this

Instagram era that exalts the appearance of perfection? How do you forget about “living the dream” and learn to embrace the beauty of your reality? These are just a few of the many important questions Lentz answers in *Own The Moment*—a powerful book that redefines not just Christianity but spirituality as a whole.

Change your life by changing the messages that

enter your mind! Learn to see yourself through God's eyes by spending thirty-one days feeding your heart a new, biblical message of encouragement. Every day, our hearts and minds fill with messages—about ourselves, the world, and God—that we replay again and again. Some of these messages are accurate and helpful. Others run counter to truths that God wants us to understand and embrace. In Dwell on These Things,

author John Stange shows how—instead of living at the mercy of whatever thought pops into your mind—you can choose to

- replace feelings of discouragement with a sense of God's goodness
- practice seeing yourself in the loving way God sees you
- exchange negative self-talk for positive biblical messages
- learn to face the day with hope in your heart

Let's Do Boundaries! <u>Sun Stand Still</u>	<u>Devotional</u> Multnomah Christian women have allowed shame to condemn and confine them for far too long. If you're ready to turn things around, Aubrey Sampson—a pastor's wife, and an advocate for at-risk women—invite s you to become an unashamed woman. Using the model of a house, "Sampson identifies eight major lies of shame such as: I'll have more value when I	change; I cannot experience freedom from shame; My past is unsalvageable ; and Shame is only traumatic. Written with a strong biblical theology and humorous authenticity, as well as true-life stories shared by women of all ages, Sampson equips readers with tools for an ongoing spiritual discipline of "shamelessne ss." Sampson deals directly with the shame that
---	--	---

comes from comical moments in life, as well as from sexual abuse, eating disorders, addiction, abandonment, and other real-life issues. She

also encourages women to transform their life's story into ministry, creating ripple effects of hope and healing that

can change the world. Written for any woman whose self-worth has been stolen, Overcomer gives her the courage, in Jesus, to reclaim it.
