Hot SEAL (HOT SEAL Team - Book 1)

H.O.T. Publishing, LLC

One night in the sheets is all she wants... Christina Girard is a lady. But she's a lady whose world is about to implode. She's done everything right, but she can't escape the taint of scandal when her husband cheats on her with another man. She's broken, her spirit battered, her confidence at an all-time low. Then

she meets Navy SEAL Remy Marchand, and parts of her she'd thought dead flare to life. Except Remy is part of the Hostile Operations Team, the Black Ops group her brother works for, and that means NO in flashing neon letters. Yet Christina's tired of always doing what's expected. Just once, she wants to saddle up and ride a tattooed, dirty-mouthed bad boy before she kicks him to the curb and goes on with her life. One night is not enough to put out the fire... Remy

Marchand burns with guilt and regret that he couldn't save his twin sister from her abuser. He lives his life slaying dragons for the innocent and vulnerable. He thought Christina needed his strength and protection too, but he was wrong. After a single night of pleasure, she disappears from his life. But then his SEALs get tasked with a mission: infiltrate war-torn Qu'rim and get Christina out before the enemy finds her. With bombs exploding, blood spilling, and survival not certain, Remy protects Christina from harm while vowing not to succumb again to her sweet temptation. One night is only the beginning... But life in a war zone is intense, and vows mean nothing in the face of danger. Giving in is inevitable. Staying alive is not—especially when the greatest

menace still waits for the perfect moment to strike... **HOT & Bothered** H.O.T. Publishing, LLC Abducted at gunpoint by a gorgeous woman... Navy SEAL Cody "Cowboy" McCormick is in Las Vegas for a little R & R before his friend's wedding when a beautiful blonde jams a gun in his side and abducts him from a casino in broad daylight. He could stop her, but he plays along because he's intrigued—plus he's convinced she's in danger. CIA agent Miranda Lockwood's life is on the line when an undercover operation goes wrong. Little does she know when she sashays up to the biggest, baddest

looking dude in the casino lobby that she's kidnapping a Navy SEAL—or that she'll be unable to resist his charm when he turns up the heat. When the CIA labels her a rogue agent, Miranda's faith in everything she believes in is shaken to the core. Cody's the only one she can trust to help her find the traitor in the agency. But even though she's forced to betray him, she can't get over the SEAL who made her feel safe in his arms. Miranda will have to fight harder than she's ever fought for anything if she wants his forgiveness—but Cody's not in a forgiving mood in spite of the sparks that still fly when he's forced to team up with her again. When disaster strikes and they're caught in the line of fire, Cody will do everything in his power to keep them both alive. Because if he

doesn't, he'll never get to hold Miranda close again... NOTE: If you read the first part of this story in SEALs of Summer 3, this is the complete book.
